FOR IMMEDIATE RELEASE

Liberals widen lead in Ontario campaign

Majority government in the cards

TORONTO MAY 20th, 2014 - In a random sampling of public opinion taken by the Forum Poll™ among 1136 Ontario voters on the evening after the May long weekend, just more than 4-in-10 will vote Liberal (41%), compared to one third who will vote Progressive Conservative (34%). This represents a widening of the lead for the Liberals since we polled last week (May 13 - Liberals 38%, PCs 35%). The NDP are supported by one fifth of voters (20%), and few will vote Green (4%) or for any other party (1%). The Liberal vote is common to females (46%), mid income groups (\$60K to \$80K - 48%) and the Toronto 416 area code (51%). The PC vote is characteristic of the oldest (40%), males (40%), lower income groups (\$20K to \$40K - 42%) and in eastern Ontario (41%). The New Democrat vote is common to Generation Y (35 to 44 - 29%), the least wealthy (34%) and in southwestern (26%) and northern Ontario (47%). Of note, one third of past New Democrats will vote Liberal this time (32%), while one tenth of past Liberals will vote PC (13%) or NDP (11%) this time.

Wide Liberal majority seen

If these results are projected up to seats in a 107 seat Legislature, the Liberals would take an 8 seat majority of 63 seats, to 31 for the PCs. The NDP would take just 13 seats.

Liberals are second choice of New Democrats

Among NDP voters, 4-in-10 would pick the Liberals second (40%), while more than half of Liberal voters would pick the NDP second (57%). Few would select the PCs second (17% and 11%, respectively). The Green Party is a popular second choice for New Democrats, as it is for PCs (24% each).

Leaders' favourables stable, Wynne most popular

Kathleen Wynne has the approval of close to 4-in-10 (38%) and this is stable since last week (38%). Her net favourable rating (approve minus disapprove) is -8, up from -12 last week. Andrea Horwath has the approval of just more than a third, this week and last (35% each), and her net is -5, up slightly from -8 last week. Tim Hudak has approval from one quarter (25%, from 23% last week), and his net is an abysmal -34, similar to the -36 registered last week.

TORONTO

May 20th, 2014

HIGHLIGHTS:

- Just more than one third now thinks Kathleen Wynne will make the best Premier.
- "It may be that the May long weekend gave Ontario families a chance to meet and reflect on the upcoming election, firming up their intentions while they talked. There certainly appears to be a new wind in Kathleen Wynne's sails," said Forum Research President, Dr. Lorne Bozinoff.

Kathleen Wynne increases her lead as best Premier

Just more than one third now thinks Kathleen Wynne will make the best Premier (34%, up slightly from 32% last week and 28% the week before), while fewer than a quarter pick Tim Hudak in this role (22%, stable from last week) and even fewer pick Andrea Horwath (17%, up slightly from 15%). Close to one fifth think none is right for the job (17%), and one tenth don't have an opinion (10%).

May Long Weekend gives voters time to reflect

"It may be that the May long weekend gave Ontario families a chance to meet and reflect on the upcoming election, firming up their intentions while they talked. There certainly appears to be a new wind in Kathleen Wynne's sails," said Forum Research President, Dr. Lorne Bozinoff.

Lorne Bozinoff, Ph.D. is the president and founder of Forum Research. He can be reached at lbozinoff@forumresearch.com or at (416) 960-9603.

Methodology

The Forum Poll™ was conducted by Forum Research with the results based on an interactive voice response telephone survey of 1136 randomly selected Ontarians 18 years of age and older. The poll was conducted on May 20th, 2014.

Results based on the total sample are considered accurate +/- 3%, 19 times out of 20. Subsample results will be less accurate. Margins of error for subsample (such as age, gender) results are available at www.forumresearch.com/samplestim.asp

Where appropriate, the data has been statistically weighted by age, region, and other variables to ensure that the sample reflects the actual population according to the latest Census data.

This research is not necessarily predictive of future outcomes, but rather, captures opinion at one point in time. Actual results will depend on the parties' success at getting their voters out. Forum Research conducted this poll as a public service and to demonstrate our survey research capabilities. Forum houses its poll results in the Data Library of the Department of Political Science at the University of Toronto.

With offices across Canada and around the world, 100% Canadian-owned Forum Research is one of the country's leading survey research firms. This Forum Poll™ and other polls may be found at Forum's poll archive at www.forumresearch.com/polls.asp
