

### FOR IMMEDIATE RELEASE

### **Conservatives Continue to Hold Big Lead**

Toronto, May 12<sup>th</sup> – In a random sampling of public opinion taken by The Forum Poll™ among 1103 Ontario voters, more than 4-in-10 (41%) say they would support the Progressive Conservatives. More than a quarter (28%) say they would support the Liberals, just under a quarter (23%) say they would support the NDP. (6%) say they support the Green Party, and (3%) say they would support another party.

Respondents most likely to support the Progressive Conservatives include those aged 65+ (51%), males (50%), earning \$80,000-\$100,000 (47%), the most wealthy (48%), living in Eastern (45%) or Southwestern Ontario (45%), the least educated (45%) or with some college/university (48%).

Respondents most likely to support the Liberals include those aged 35-44 (36%), females (33%), the least wealthy (40%), living in Toronto (36%), and with a postgraduate degree (38%).

Respondents most likely to support the NDP include those aged 34 or younger (33%), the least wealthy (28%) or earning \$60,000-\$80,000 (29%).

### Conservatives still tracking toward majority

If an election were held today, the Progressive Conservatives would likely secure 72 seats, more than needed for a majority in the 122 seat legislature.

The Liberals and the NDP would each secure 25 seats.

### Horwath popular; Wynne and Brown, not so much

Kathleen Wynne's approval is (15%), and her disapproval (73%) is almost three-quarters. (12%) do not know whether to approve or disapprove of the Premier's performance.

Patrick Brown's approval is (19%), and his disapproval is more than a quarter (26%). The majority, (54%), don't know enough about Patrick Brown to offer an opinion.

Andrew Horwath is the most popular of the three leaders with an approval of more than a third (34%), with disapproval of only a quarter (25%). 4-in-10 (40%) say they do not know about Andrea Horwath.

Lorne Bozinoff, President lbozinoff@forumresearch.com 416.960.9603

"The Progressive
Conservatives continue to
hold a considerable lead in
Ontario. While it's true
Ontarians may be somewhat
disengaged in provincial
politics between elections,
you can be sure the other
parties would be happy to
have the numbers we're
seeing for the Progressive
Conservatives right now," said
Dr. Lorne Bozinoff, President
of Forum Research.

### Brown seen as best for the economy

Almost a third (31%), see Patrick Brown as the best potential steward of Ontario's economy, more than 2-in-10 (21%) see Andrea Horwath as best for the economy, and only (13%) see Kathleen Wynne as best for the economy.

The plurality of respondents (35%) do not know which provincial leader would be the best for Ontario's economy.

### Andrea Horwath seen as most trustworthy

Almost a third (29%) see Andrea Horwath as the most trustworthy of the three provincial leaders, a quarter (25%) see Patrick Brown as the most trustworthy, and just over 1-in-10 (11%) see Kathleen Wynne as the most trustworthy.

### Brown best premier, Andrea Horwath just behind

More than a quarter (27%) believe that Patrick Brown would make the best Premier of Ontario, though Andrea Horwath (24%) is statistically tied with him on that measure. Kathleen Wynne is well behind the pair with just over 1-in-10 (13%) saying she would be the best premier. A quarter (24%) say none of the above would make a good premier, with (12%) saying they don't know.

"The Progressive Conservatives continue to hold a considerable lead in Ontario. While it's true Ontarians may be somewhat disengaged in provincial politics between elections, you can be sure the other parties would be happy to have the numbers we're seeing for the Progressive Conservatives right now," said Dr. Lorne Bozinoff, President of Forum Research.

### Methodology

The Forum Poll™ was conducted by Forum Research with the results based on an interactive voice response telephone survey of 1103 randomly selected Ontario Voters. The poll was conducted May 9-10, 2017.

Results based on the total sample are considered accurate +/- 3%, 19 times out of 20. Subsample results will be less accurate. Margins of error for subsample (such as age, gender) results are available at www.forumresearch.com/samplestim.asp

Where appropriate, the data has been statistically weighted by age, region, and other variables to ensure that the sample reflects the actual population according to the latest Census data.

This research is not necessarily predictive of future outcomes, but rather, captures opinion at one point in time. Actual results will depend on the parties' success at getting their voters out. Forum Research conducted this poll as a public service and to demonstrate our survey research capabilities. Forum houses its poll results in the Data Library of the Department of Political Science at the University of Toronto.

With offices across Canada and around the world, 100% Canadian-owned Forum Research is one of the country's leading survey research firms. This Forum Poll™and other polls may be found at Forum's poll archive at www.forumresearch.com/polls.asp
