Mantas & Mantas Fight for Remaining Votes

Antonios Mantas makes comeback in final days near election

TORONTO
Oct 20th, 2022

Toronto, Oct 20th – In a random sampling of public opinion taken by The Forum Poll™ among 201 voters in Ward 22, amongst those decided and leaning, 45% support Antonios Mantas and 38% support Nick Mantas.

"A couple of weeks ago, Nick Mantas had a decent lead," said Dr. Lorne Bozinoff, President of Forum Research. "But now the polls are showing that Antonios Mantas has made a comeback. Nick could still get re-elected, but it will likely be a close race."

Tory holds a sizeable lead with 45% of support, while 35% of voters are still undecided.

The poll was conducted by Forum Research with the results based on an interactive voice response telephone survey of 201 randomly selected eligible voters across Scarborough Agincourt. The poll was conducted on Oct 19th, 2022. Results based on the total sample are considered accurate +/- 7%, 19 times out of 20. Subsample and regional results will be less accurate. Margins of error for subsample and regional results are available at www.forumresearch.com/samplestim.asp.

This research is not necessarily predictive of future outcomes, but rather captures opinion at one point in time. The poll was sponsored by Forum Research Inc. as a public service. With offices across Canada and around the world, 100% Canadian owned Forum Research is one of the country's leading survey research firms.

Forum Research follows the CRIC Public Opinion Research Standards and Disclosure Requirements that can be found here: https://canadianresearchinsightscouncil.ca/standards/

The key questions covered in the recent poll concerned:
